

SOUTH MAIN RV PARK

A tree-lined oasis in the heart of Houston, Texas

Consistently rated among the top RV parks in Houston, Texas, South Main RV Park pulls out all of the bells and whistles for our guests.

As any experienced recreational traveler can attest, not all RV parks are created equal.

We stand out from the rest because we treat our guests like family with our Texas hospitality and have the best professional staff. We are also conveniently located near everything the Greater Houston area has to offer.

If you are in town for a family trip, to enjoy the moderate temperatures of the winter season, attending a rally or reunion, or are receiving care at a nearby medical center, we will make you feel at home.

The South Main RV Park is uniquely situated. We have unbeatable access to the interstate and are located on Main Street. But we also sit in an oasis-like park setting with majestic mature trees for plenty of shade.

Ever notice how trees seem to soak up all the stress? When you are ready for a break from the cosmopolitan lifestyle of Houston, you can rest in the solitude of a premier park setting.
